NATIONAL LIBRARY AWARENESS DAY IN USARB

Co-funded by the
Erasmus+ Programme
of the European Union

- Under the auspices of Erasmus+ International Project LNSS „Library Network Support Services: modernising libraries in Armenia, Moldova and Belarus through library staff development and reforming libraries”, the National Awareness Day about the activities of libraries was held for the first time. The National Awareness Day is designed to raise public awareness of the library's potential for lifelong learning, and to build a positive perception of libraries. This year, Librarian's Day has been synchronized with National Library Awareness Day.
- The event was widely covered in radio, website, social media and newspapers and gained public resonance.
- In future we plan to follow such annual events not only in the capital of Moldova, but also with the active involvement of regional and district libraries of our country.
